### **June 2021 Meeting Minutes:**

A motion was made to approve the June 2021 HVA General Meeting minutes. The motion was seconded and approved by all.

### **President's Report: (Bill Greim)**

Bill reported that our new families/neighbors were recognized at the June Annual Meeting. We have several new canine neighbors too and remind people to please clean-up after their pets and not leave waste bags behind.

Bill once again reminded all to please respect our Beach Rules and have respective dialogues with our neighbors. The BOD will be reemphasizing safety on the beaches in upcoming communications.

In August we plan to sign the contract for the As Built drawings for the new jetties - to be filed with the Town of Clinton once final work on Center Beach is completed.

Bill would like to see us reach 90% MIGS this year (last year was ~ 84% MIGS).

### **Treasurer's Report: (Chris Psillas)**

Chris presented the following balances:

- Checking: \$40,297
- Savings: \$17,305
- Jetty: \$14,108

YTD dues payments are at 69% or 152 paid. An additional 24 payments are needed to meet our budget of 80%.

There have been 111 donations to the jetty fund YTD, plus some HVA magnet sales that contributed an additional \$50.

Chris will be issuing a reminder mailing in August to those not paid.

### **Social Committee (Christine M):**

Two movie nights, with the first planned for tonight at North Beach.

The Social Committee has also planned for a kid's tie dye event in August.

Our Neighbor and Marine Biologist Dana will lead a Nature Walk at North Beach on July 31<sup>st</sup>. Watch e-mail for details.

Our neighbor Denise continues to offer Yoga on the Beach each weekend (weather dependent).

Fireworks – BOD approved \$250 contribution in support

We will once again host a Year End party tentative for the Saturday of Labor Day weekend. There will also be a 50/50 raffle in support of the Jetty Fund.

### **Old Business:**

On the topic of golf cart usage and parking, the BOD issued an email update asking these to be only parked on Hammock Parkway (and not at the beaches). Everyone's cooperation to date is greatly appreciated.

**New Business:**

Bill provided an update on the 4 benches that are planned for North Beach. All 4 have been sponsored. There is a delay in the resins used for the benches and Bill is working to confirm lead time; the plan is to order in the next 1-2 weeks, with expected delivery in late Fall.

The general meeting was closed at 10:25 AM by Bill Greim, HVA President.
